

## CSL 2700 27" Heat Shoe Roll Laminator

The CSL 2700 thermal heat shoe roll laminator is an easy-to-use machine that does not sacrifice quality. It accepts films up to 27" wide and up to 3 mil thick on a 1" core. The CSL 2700 features adjustable temperature and an automatic shut-off timer (the heat will turn off after 4 hours of non-use). Quality construction and an easy-to-operate design make this laminator a customer favorite. UL Listed.
