TO LAMINATE

1. Insert the document into the center of a laminating pouch.
2. Insert the pouch, containing the document, into a carrier. Carriers are included with your pouch purchase and should always be used when laminating.

3. Press the 3 position switch to "run".
4. Insert the folded edge of the carrier into the entrance slot of the laminator.
5. The carrier containing the pouch and document will automatically feed into the laminator and exit the rear.

6. After the carrier cools, remove the laminated pouch. If handled too soon before the adhesive in the film cools and hardens, the finished piece may become distorted.
7. Press the 3 position switch to "heat" if more laminating is anticipated, or to "off" if you are finished with your lamination.

ADJUSTING TEMPERATURE

Your USI Laminator has been carefully factory-calibrated to produce a laminated pouch of high quality. The temperature setting has been selected to process laminating pouches for good adhesion to the document with maximum edge seal and minimum squeeze-out of the edges.

Squeeze-out can be minimized by decreasing the temperature. However, if the temperature is decreased too much, the adhesive may fail to adhere properly to the document and the lamination will appear cloudy. If the temperature is increased too much, the lamination may wrinkle or bubble.

CAUTION - the maximum heat setting may cause damage to delicate originals. Test before proceeding.

Your USI Laminator may emit some smoke the first few times it is used. There is no need for alarm. This is normal and will cease after the heaters are used a few times.

IMPORTANT SAFEGUARDS - SAVE THESE INSTRUCTIONS!

1. Read all instructions before use.
2. Always unplug the laminator when not in use, or for cleaning.
3. Do not use outdoors.
4. Extreme caution should be taken when the laminator is used near children or invalids.
5. To protect against electrical hazards, do not immerse cord, plug or the laminator in water or any other liquid.
6. Do not operate the laminator with a damaged cord or plug, if the laminator has malfunctioned or has been dropped or damaged in any manner, return the laminator to USI for repair.
7. Do not let the cord hang over the edge of operating surface or touch hot surfaces.
8. Do not use the laminator for anything other than its intended use.

PRODUCT SPECIFICATIONS

	CT400	CT1200
Opening:	4-1/2" (12 cm)	9-1/2" (24 cm)
Weight:	5 lbs (2 kg)	4 lbs (2 kg)
Width:	10" (25 cm)	13-3/4" (35 cm)
Depth:	7" (18 cm)	7" (18 cm)
Height:	4-1/2" (12 cm)	4-1/2" (12 cm)
Amps:	1.25	3.15
Watts:	130	365
Volts/Cycle:	120VAC/60Hz	120VAC/60Hz
Cord Length:	48"	48"
Max Mil Thickness:	7Mil	7Mil
Warranty*:	1 Year	1 Year

* from date of purchase.

WARRANTY

We warrant to the original purchaser the equipment manufactured to be free from defects in material and workmanship under normal use and service. Our obligation under this warranty shall be limited to the repair or exchange of any part or parts which may prove defective under normal use and service within one year from the date of shipment and which our examination shall disclose to our satisfaction to be defective. Warranty does not include damage due to operator error or general maintenance. When necessary, purchaser shall properly pack and return the unit to the nearest USI Service Center, freight and insurance prepaid.

This warranty is in lieu of all other warranties expressed or implied, including the warranties of merchant ability for fitness for use and all other obligations or liabilities on our part, and we neither assume nor authorize any other person to assume for us, any other liability in connection with the sale of this laminating machine or any part thereof which has been subject to accident, negligence, alteration, abuse or misuse. We make no warranty whatsoever in respect to accessories or parts not supplied by us. The term "Original Purchaser," as used in this warranty, shall be deemed to the person or company who first puts the equipment into service. This warranty shall apply only within the boundaries of the Continental United States.
